Teacher

Mr. Brandon Frost has taught in Marshfield for 6 years and has been teaching freshman, junior, and senior English. He has also taught the class of 2011 when they were freshmen, again as juniors and now as seniors. Mr. Frost is originally from Maine, and graduated from Eastern Nazarene College in 2005. He recently graduated in 2010 from the same college with a Master's in Education. An interesting fact about Mr. Frost is that he has coached the 2011 girls Powderpuff team all four years, winning the championship senior year. He says that the fun times and experiences over the years with this team has been one of the highlights of his career. Some of his hobbies include playing basketball, hiking and reading. Some random facts about Mr. Frost are that he has a little white dog named Lily, who is extremely spoiled, and he and his wife are soon to be parents in May of 2011 with their first child - a boy. Mr. Frost would like to add that he is very honored to be selected as yearbook dedicatee for the class of 2011, "I feel as though I have established many great relationships with numerous students over the last four years, and I will be sad to see them leave. However, I am excited to see how they will soon impact the world in their chosen careers."

"Plaid Shirt.
Tucked in. "

"Khakis"

"Will never
forget freshman
English"

"Made me actually
ENJOY English"

"Each Sheet"

"My favorite
teacher of all
time!"

Mr. Frost

Dedication

Miss Cynthia Goode has worked in Marshfield for 12 years, and has taught 8th grade, sophomores, and juniors. The classes she teaches are United States History I and United States History II. Before teaching, Miss Goode attended Saint Anselm College where she majored in history and minored in education. After graduating, she received her masters degree in education from UMass Boston. Some fun facts about Miss Goode are that she loves history and her favorite color is purple. She is the adviser for animal club however she doesn't own any of her own pets. She loves all fiction, especially Harry Potter, and enjoys being an Aunt to her 5 nieces and nephews. Miss Goode also likes to pretend she is a natural blonde, cannot function without her morning coffee, and is in love with everything 80's and Swedish fish.

"Absolutely
hilarious"

"Best History class
of High School"

"Whatever."

"Queen of
the 80's"

"Passionate"

"Definitely loves
history!"

Class History

Dear Class of 2011,

In our four years at Marshfield High School we have gone through an incredible amount of accomplishments together. We came into the school as nervous freshman in 2007 and quickly adapted to the new freedoms given to us, which we had never seen at Furnace Brook Middle School. We began our journey with Freshman Fun Night in the gym - we played volleyball, jumped on the moon bounce, played basketball, and got to know each other as a class for the first time in the high school. When Pride Week came along we took the school by surprise, winning the Officer Dance - Off and taking an impressive second place in Deck the Halls where our theme was "Freshman Hall Mall". All of our items were donated to Marshfield Community Christmas inspiring MHS to embark on a new approach to Deck the Halls themes - charity became the main focus of the event. Sophomore year brought the challenge of pulling off the Sophomore Fashion Show - "Blast from the Past". Several members of the class donated their time to make the show a hit, sporting different fashions from different decades. Noelle Lalazarian, Kim Robbins, and Aaron Davis stole the show at intermission with a choreographed dance to catchy and popular tunes from the decades. During Pride Week, we Decked our Halls to appropriately fit our charity "Toys For Tots", donating toys and other items to brighten the holidays for kids across Massachusetts. We also raised money for our class by running three successful all you can eat ice cream fundraisers, which helped fund our junior prom and Pride Week expenses.

Junior year we took first place in Deck The Halls after completely transforming the Marshfield Animal Shelter through several students' hard-work and community service. We successfully and creatively decorated our hallway to match the shelter showcasing our efforts. In May, we celebrated the annual junior prom at the Indian Pond Club on May 21, 2010 with our theme "Love and Memories". Each one of us that attended had the time of our lives with good food, great music, and all of our friends. The class of 2011 never looked so classy.

In our forth and final year we took the ultimate class bonding challenge and climbed a mountain together for "Meeting on the Mountain". We listened to three moving speeches from Mr. Keuther, Ms. D'Amato, and our class president Noelle Lalazarian. They inspired each one of us to continue working as hard as possible, make the right decisions, and own up to our responsibilities during our last year together as a class. During Pride Week, we dedicated our hall to the men and women of the armed forces; "Seniors Helping Soldiers". After donating fifty care packages and writing letters, we once again took first place. But the seniors didn't stop truckin' there - we also took the Powderpuff championship and ultimately scored the most points in the entire week to take the Pride Week 2010 title. On February 11, 2011 danced all night at our Sadie Hawkins themed "Senior Night Out" dance at the new england Aquarium. In our closing time together, we spent May 31, 2011 at "Senior Field Day" playing games and our last hoorah was spent on an Odyssey Cruise for our "Senior Boat Cruise" event.

We have one final adventure together, and that's the moment that we've seen coming since getting off the buses on our first day of freshman year - graduation. We couldn't be more excited for this day to come, but we are just as nostalgic and even saddened to see all our memories go. We look on to the future, and wish each other the best. We have no doubt that we will see each other at Burke's Beach in the summers to come or at Gunther's during our winter and spring breaks. We wish each and every one of you the best of luck, and couldn't have wished for a better ride with better people. You stay classy, 2011.

Sincerely,

Class of 2011 Officers

Class Advisor Letter

To the Class of 2011

On Saturday, June 4, 2011, I will watch over three-hundred senior students walk across the platform to receive their diplomas. This will be a moment that I will cherish for a lifetime.

I would first like to thank each and every one of you, for not only making a difference in the community and in the school, but also thank you for making a difference in my life. I have memories that have molded me into a better teacher and a better person. I will carry these memories with me forever and will use them to help other students grow as much as you all have. Your charity work over the last four years has been inspirational; it has personally encouraged me to contribute more to the community. Over the last four years as a class, you have donated over 15 bags of clothing to Marshfield Community Christmas and volunteered over 100 hours at the Marshfield Animal Shelter. Additionally, you sent 50 care packages overseas to help support Marshfield soldiers and donated two overflowing boxes of toys for the Toys for Tots program. Graduating from Marshfield High School is just the beginning; you have so much to look forward to. I hope you take everything you have learned here and use it to reach beyond your dreams. Do not just strive for the best; strive for excellence in everything you do. I hope to see you all back here visiting former teachers, administration, and friends who have encouraged you to make your own path working towards a remarkable future. I will look back warm heartedly at the class of 2011, my first advising class, and remember the friendships I have made and the memories we have shared, and I will smile every time. Thank you for the last four years, I hope I have helped make your high school experience sensational, unique, and a memory that you will look back upon fondly.

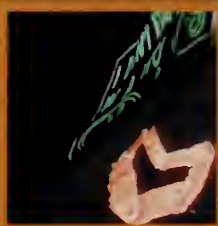

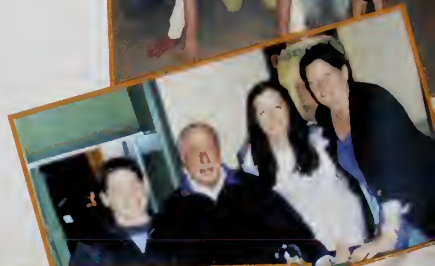

Your friend and advisor,
Laureen D; Amato

*"Look to the past
And remember and smile
And maybe tonight
I can breathe for awhile
I'm not in the scene
I think I'm fallin' asleep
But then all that it means is
I'll always be dreaming of you"*
